

Small Group Questions

June 24, 2018 | Text: Philippians 1:3-11

1. Share about a time when your love for one of your brothers and sisters at our church grew and why.
2. In what ways does the grace of God in the gospel compel us to love our brothers and sisters more?
3. Without going into unnecessary detail, is there a situation in your life right now where you need to display the grace of God toward someone else? How can you help one another with and pray for one another concerning these situations?
4. What “partnership in the gospel” (e.g. someone you are witnessing to, a mission trip you are going on, etc.) has been getting you excited lately? How can your group help you in this ministry and/or pray for you?
