

The Church is a Family

Small Group Questions | Ephesians 1:3-14; 2:13, 18-19

1. How has the local church been like a family to you?
2. Without going into detail, are you ever tempted to be negative about certain parts of our church family? What is the godly remedy to this?
3. There is only one “begotten” Son of God, Jesus. The fact that the rest of us are adopted should humble us and bring us joy! It should also keep us from excluding anyone who repents of their sin and believes the gospel. In what ways have you been tempted to be inwardly-focused with your church family?
4. Without naming names, have you noticed anyone who is on the fringes of church life at Christ Baptist? What could you do to help them fully experience the church as a family?
