

Questions for reflection – Acts 3

1. If you could use only the Old Testament, how would you share the gospel?
2. What are the ways that Peter speaks about Jesus in his sermon? (3:12-26) What do they communicate?
3. What are some passages you like to use when sharing the gospel with an unbeliever? How do they help you explain the gospel?
4. How are you currently, actively seeking to bring someone to faith in Jesus Christ? How is that going? What have been some challenges and joys along the way? If you have no such person in your life, why not?
