

Questions for reflection – Acts 1

1. How have you been Jesus' witness in the last month?
2. What hindrances do you struggle with when it comes to being a witness for Jesus? How can you overcome them?
3. How are you distracted from seeking the power of the Holy Spirit? What things do you commonly substitute for his power? What needs to change in order for you to work in the power of the Spirit more consistently?
4. Are you united in prayer with other believers? (eg. prayer meetings, small group prayer, SS prayer)
