SENDING

Acts 20

Growing in Community

- Paul's was a ministry-in-partnership
- the norm for churches Paul planted & pastored was life together
- the greatest problem in the church is me
- Paul travelled in a group because he needed the church

ACTS

Growing in Community

- Paul lived the gospel with the church
- diligence is required to preserve the church as family
- need other people less; love other people more

ACTS

Growing in Community

Friendship is not about me feeling better, but about becoming more holy.
